Marios,
please find attached 2 pdf files for the conference registration, one is for write in, one is for fill-in, i also sent you the word doc i used to generate the pdf version. please do NOT upload the word file on the website. upload only the pdf versions (and add a statement stating that we would really prefer to get the typed in version...) i will finish the electronic website when i come back from europe in 3 weeks, as i want to be around if there is a pb with site and payments. please put in a note saying the electronic registration won't open up until end of june + please forward a copy of the form to the person who asked about prices to you in the last couple of days, can't find her email right now....

thanks!
Monique
